

Dear Patient,

This letter is to let you know the arrangements for this year's flu clinic.

Please follow these instructions:

- Make your way to the marked FIRE EXIT door at front of the building

- Please wear a **face covering**.

-  **Walk** to the practice if you can.

- Attend **on your own** unless you need help in mobilising or you are under 16.

-  Please arrive as close to your **appointment time** as possible to maintain social distancing.

- Use the **toilet** before leaving the house.

-  We encourage you **not to touch** anything in the practice.

- Follow the **signs** when queuing outside the building.

- Please come prepared with an **umbrella** if it is likely to rain as the queue may be outside.

- There will be **no chairs** available to sit on while waiting or having the vaccination (for infection control). If you think you will struggle with this, please speak to the queue marshal on arrival.

- Wear **clothing** which makes it easy to expose your upper arm.

-  Please follow the **instructions** of the staff – they are there for your safety and will be wearing luminous yellow vests.

- Do not attend if you or any members of your household have symptoms of **coronavirus**, or if you have been told to isolate.
